

Sangeetha

SERVING INDIAN CUISINE TO THE WORLD

WWW.SANGEETHA.COM.HK

THE STORY OF GLORY

"Sangeetha" one of the leading restaurant chains in Chennai, was founded in a humble way crossing struggles and challenges. The founding seed for this indigenous group dates back to 1950's in a province called Udipi, India.

A young Padmanabha Pothi, a 12-year-old boy was sent out of his home to find a job. After gaining adequate exposure working in hotels, he gathered the knowledge and experience that inspired him to start his own restaurant. His two sons P. Rajagopal and P. Suresh had faith in their father and were ready to start their journey.

Looking back, Mr. Pothi has lovingly handed down his experience and enormous skills to his sons. They always worked alongside their father, who taught them the refined art and nature of business.

As years passed, the restaurant has been handed down to a third generation of restaurateurs who are innovative and build new opportunities for the brand. Mr. Rajagopal & Mr. Suresh have not only transformed SVR into the most famous restaurant chain in Chennai, but along with their business expansion they have made SVR Group operational across 8 countries worldwide.

The Motto was and remains: Simple, Sustainable & South Indian.

榮耀的故事

"Sangeetha"是在金奈領先的連鎖餐廳之一,他以一種低調的方式跨越艱辛和挑戰創立。這個土著團體的創始根源可以追溯到1950年代,並位於印度一個叫烏迪皮的省份。

一個12歲的小男孩 Padmanabha Pothi 離開家裡到外尋找工作。在酒店工作獲得足夠的經驗後,他用積累的知識和經驗開始了自己的餐館。他的兩個兒子 P. Rajagopal 和 P. Suresh 對他們的父親充滿了信心,並準備開始他們的旅程。

回想起來,Pothi先生將他畢生的經驗和技巧傳授給了他的兒子們。他們總是在教會他們商業的藝術和性質的父親身邊一起工作。

時光荏苒,該餐廳已經傳到了他們的第三代,他們勇於創新,為他們的餐廳創造了新的機遇。Rajagopal 先生和 Suresh 先生不僅將SVR轉變為金奈最著名的連鎖餐廳,而且隨著他們的業務擴展,他們已經成功使SVR集團在全球8個國家運營。而他們的座右銘始終如一:簡單,可持續以及南印度。

Intricacies of Our Cuisine

The South of India, which was being invaded for ages for its spice wealth is the homeland of our restaurant. Needless to say, our flavours are authentic, our cuisines are derived chiefly from the traditional Udupi and Chettinadu styles of cooking.

We also are influenced by the Mughals and the Chinese, hailing from a land known for its hospitality, we hold the responsibility of transferring this hospitality through the generations.

We serve people of different cultures around the world, making it a point to ensure that no one feels like a stranger to our restaurant and our cuisine.

我們的料理的精妙之處

這所餐廳的故鄉,印度南部,因其豐富的香料資源而被長期侵略。毋庸置疑,我們菜餚絕對是地道的。我們烹飪菜餚的風格主要來自於傳統的烏杜皮和切蒂納德。

我們的餐廳也受到了莫臥兒人和中國人的影響,他們都來自於以好客著稱的國土;而這所餐廳有責任繼續傳承這種好客精神。

我們為世界各地不同文化背景的人服務,確保每一位客人都對我們的餐廳和菜餚感到賓至如歸。
